APPLICATION FOR PRACTITIONER LICENSURE

Once you have completed your instructional training, complete this application online, print and forward this application with the documentation outlined below and the fee to the Kansas Board of Cosmetology at the above address.

Kansas law, K.S.A. 65-1905, requires an applicant seeking licensure in the cosmetology, esthetics, electrology, or nail technology profession:

- Submit a \$45 non-refundable fee;
- Submit verification the applicant is a graduate of an accredited high school or equivalent thereof (General Education Diploma (GED) is accepted as "equivalent thereof");
- Submit verification of date of birth; and
- Submit verification that the applicant completed the required curriculum as outlined in K.A.R 69-3-8.

In addition to submitting the practitioner application and temporary permit application (if applicable), you must, at the same time, also register for the licensure exams with the licensure exam contractor, Prometric (www.prometric.com). If you previously registered with Prometric, it is not necessary to register again unless you failed to report for the exam(s) or failed the exam(s).

Should you wish to make application for a temporary permit, complete that application and submit the application fee with this practitioner application and fee. Thoroughly read the temporary permit application form which may be accessed at the above listed KBOC website. (If submitting applications for practitioner licensure and temporary permit licensure, submit one check or money order for both fees. If fees are paid by credit card, complete the credit card information for both fees on this practitioner license application.)

Once this practitioner application is determined to comply with Kansas Law, KBOC will notify the licensure exam contractor to schedule you for the exam(s). Prometric will notify you by letter regarding the scheduling of your exam(s).

To be granted a license the applicant must successfully complete all sections of the Kansas licensure examinations. Therefore, you are advised to thoroughly read the Kansas Candidate Information Bulletin available at Prometric's website. This information will assist in exam preparation.
